

# BONEHOLE HERITAGE SITE MASTER PLAN

FINAL MASTER PLAN  
OCTOBER 2, 2014

# Goals and Objectives

To create a space that will serve the residents and visitors of St. Francois County while **embracing** the natural beauty and **promoting** the history of the site.

- A place to reflect the historical culture of the area
- Provide passive recreation
- Establish a restorative landscape
- Provide access and security
- Celebrate the site's past
- "Light Touch" on the Landscape
